About Us

We are one of the top web pharmacies in the United States, providing most types of prescription drugs. Generic Medicine Stores are certified by the US Pharmacy Technician Certification Board and follow all US government and FDA guidelines.

Our pharmacy helps patients all across the world by providing genuine and on-time/same-day/overnight product deliveries. We believe in a long-term relationship with our customers and always go beyond the limitations to serve you with the best.

Generic Medicine Stores contains a good stock of all drugs in almost every form and strength and delivers them from the different warehouses we have established in the US. As a leading web pharmacy, we deal in generic and brand-name drugs at a comparatively cheaper cost than other physical or web stores.

We understand the value of your hard-earned money and time. That's why we offer time-to-time, seasonal, and occasional discounts on different kinds of products, together with fast delivery services. In order to ensure a beneficial treatment program, we also provide you with a free dosage or medication guide.

Our Partners

In order to provide you with a genuine product at the lowest cost, we have partnered with some top pharmaceutical companies like Pfizer in the United States. We purchase all our products at manufacturing cost and sell them without any third-party commission – this enables us to sell all our medications (available on our website) at much lower prices.

Also, to ensure on-time and safe product delivery, we have some top courier companies as our delivery partners. Our reputed delivery partners, like USPS, FedEx, Purolator, On Track, etc., help us reach any part of the United States in just 24 hours.

Our Priorities

We understand very well that we are nothing without our valuable customers. This is why our customers are at the heart of our priorities and services. Our team of professionals does everything required to make things easy and

accessible for customers. Our web pharmacy features many policies and services to help our customers.

Our Services

Our pharmacy aims to sell top-class genuine drugs at reasonable prices. In addition, we help our clients throughout the entire treatment program by providing some crucial details. Information we bring for our customers includes what a drug is, what it is used for, how and when to take it, precautions and precautions while taking it, and much more.

We help you with;

- Product delivery (same day, overnight);
- Genuine Products;
- Guarded payment options;
- Safe and secure deal;
- Return and refund guarantee, etc.
